## Nota Biográfica

Marc Amblard

---

Marc started his career with Peugeot, holding positions in engineering, then in B-to-B sales for Japan and Australia.

In 1994, he became Sales & Program Manager for automotive supplier Valeo in the US, where he then managed a plant. He later led Business Development for the global Thermal business.

In 2000, he took over Renault's global Product Planning for Light Commercial Vehicles.

Marc joined Alstom Transport in 2007, where he was Director, Market Strategy then VP, Business Strategy.

Marc Amblard became CEO of EFQM in September 2012.

Marc holds a Master in Mechanical Engineering from ENSAM (France), and an MBA from the University of Michigan Ross Business School (USA).
